Liam Klyneker

Front End Engineer
Software Developer
UI/UX Designer

Hi, I'm Liam's CV, with more than **9 years** in the industry he possesses expertise in a wide range of <u>FrontEnd</u>, <u>Software</u> and <u>Design</u> skills that are essential for any company, the guy basically breaths code and pixels. His current preferred stack to work with is:

- **Javascript** 9 years of experience
- **NextJS** 6 years of experience
- **React** 6 years of experience
- **Serverless Techs** 3 years of experience

Jøurney
